Glamorous messiah or charlatan? A mask of beauty hides deadly secrets in #1 New York Times and Amazon Charts bestselling author Gregg Olsen's mesmerizing novel of suspense.

In the Pacific Northwest, police officer Lindsay Jackman is investigating the murder of a young journalist found at the bottom of a ravine. Lindsay soon learns that the victim was writing an exposé. Her subject: a charismatic wellness guru who's pulled millions into her euphoric orbit...

To hear Marnie Spellman tell it, when she was a child, a swarm of bees lifted her off the ground and toward the sunlight, illumining her spiritual connection with nature—an uncanny event on which Marnie built a cosmetics empire and became a legend, a healer, and the queen of holistic health and eternal beauty. In her inner circle is an intimate band of devotees called the Hive. They share Marnie's secrets of success—including one cloaked in darkness for twenty years.

Determined to uncover the possibly deadly mysteries of the group, Lindsay focuses her investigation on Marnie and the former members of the Hive, who are just as determined to keep Lindsay from their secrets as they are to maintain their status.
